10th July 2023 by Georgina Hockley  3 Min Read

If you're wondering what to do on the weekend, grab your friends and loved ones and head down to Tanglin Mall for the OSSEA orchid flower show. It's a chance to immerse yourselves in a wonderland of unique breeds of orchids in Singapore. Plus, there's a myriad of great stores, perfect for a spot of retail therapy post-show.

## Orchid Show at Tanglin Mall in collaboration with OSSEA (the Orchid Society of Southeast Asia)

Orchids are a beautiful and well-known symbol of the Little Red Dot's multicultural heritage. Similarly, [Tanglin Mall](https://www.tanglinmall.com.sg/) (<https://www.tanglinmall.com.sg/>) has come to represent a place in Singapore where a melting pot of cultures come together. It's a place where both expats and locals can feel at home and meet up with friends to find unique products.

### Stunning orchids and guided tours

Orchid flower enthusiasts islandwide have submitted their plants to be judged and displayed in the OSSEA orchid show. Check out over 400 amazing competition orchids and marvel at the different species and hybrids on display across the retail levels in Tanglin Mall. Simply exquisite!

You can also learn all about the orchid flowers on display by joining an informative weekend guided tour. There'll be florals on sale, too, if you're inspired to start your own collection of orchids in Singapore.
